Merxin hands the baton over to Optima at Mayors Business Award

Congratulations to Optima Metal Parts for winning the 2020 King's Lynn & West Norfolk Mayor's business award.

It was great fun and quite a boon when Merxin won the award in 2019. We are glad to pass on the baton and wish you a very fruitful 2020.

The awards recognise local businesses under several categories, with the top award of "Mayor's Business of the Year" presented by Mayor Geoff Hipperton. The 2020 King's Lynn & West Norfolk Mayor's Business Awards was hosted by the Lynn News (see Lynn News: <https://www.lynnnews.co.uk/news/exciting-times-ahead-says-councillor-as-best-of-west-norfolk-business-honoured-9101978/>).

We were very pleased to be represented at the 2020 King's Lynn & West Norfolk Mayor's Business Awards hosted by the Lynn News. @Graham was invited as a guest of Councillor @Graham Middleton and the Mayor.
